End Application:

1520-01-088-3669; w/s: helicopter, chinook, ch47

Product Name:

Base angle aft lh

Special Features:

Classified to sheet stock 0.040 inches thick

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t 3, superseded by sae-ams-qq-a-250 federal specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
