Cross Sectional Shape:

Recess, same shape as the periphery

Edge Shape:

Rectangle, no holes

Securing Device Type:

Hinge

End Application:

3990-01-307-7676 flatrack, palletized loading system

Product Name:

Service, m1077, b11, door, rh

Special Features:

Replaces nsn 5342-01-373-6510 part number 2hp155 for army purposes

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531n0
