Width:

20.0 millimeters

End Application:

P-3

Mounting Facility Quantity:

8

Mounting Method:

Mounting slots

Side For Which Designed:

Right hand

Mounting Facility Diameter:

3.3 millimeters

Height:

5.0 millimeters

Special Features:

Main mounting holes have countersunk diameter of 4.5 mm; item has 2 slots (one on each end); item contains one 8.0 mm mounting hole

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
