Overall Length:

4.500 inches

Flange Thickness:

0.440 inches

Overall Height:

0.875 inches

Overall Width:

2.620 inches

End Application:

Manifold assembly

Design Type:

Flange

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8, alloy 6061, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536n0
