Overall Length:

11.980 inches

Overall Height:

5.000 inches

Overall Width:

2.000 inches

Mounting Hole Quantity:

8

Material:

Nickel alloy 625

Material Specification:

Astm-b443, cond annealed assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
