**Overall Length:**

2.000 inches

**Overall Height:**

1.750 inches

**Overall Width:**

0.250 inches

**Product Name:**

Pivot mount, periscope

**Special Features:**

Lens mount used on periscope color camera; black material delrin mcard (44785cz); four through holes (.084") on mount and 1.25" middle circle

**Material:**

Resin synthetic

**Material Specification:**

Astm d4181 assn standard 1st material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
