Overall Length:

2.000 inches

Overall Height:

1.750 inches

Overall Width:

0.250 inches

Product Name:

Pivot mount, periscope

Special Features:

Lens mount used on periscope color camera; black material delrin mcard (44785cz); four through holes (.084") on mount and 1.25" middle circle

Material:

Resin synthetic

Material Specification:

Astm d4181 assn standard 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
