End Application:

Seasprite helicopter

Product Name:

Retainer

Special Features:

Stock size 0.040 x 9.50 x 9.50

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Fsc Application Data:

Kc33076 skin and stringer instl nose doors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
