End Application:

Sh-2g seasprite helicopter

Product Name:

Angle

Special Features:

Stock size 0.032 x 1.50 x 6.95

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 cond 0 federal specification single material response

Fsc Application Data:

K656702 support instl-control cargo hook emergency

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
