End Application:

Sh-2g helicopter

Special Features:

Stock size 0.032 x 2.75 x 2.75

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/25 federal specification single material response

Fsc Application Data:

Kc79223 skin details-external stores support

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531c0
