**End Application:**

Sh-2g helicopter

**Special Features:**

Stock size 0.032 x 2.75 x 2.75

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/25 federal specification single material response

**Fsc Application Data:**

Kc79223 skin details-external stores support

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A531c0
