Width:

65.0 millimeters

End Application:

Unit 15 console

Mounting Facility Quantity:

2

Mounting Method:

Bracket

Section Length:

457.2 millimeters

Side For Which Designed:

Left hand or right hand

Height:

23.0 millimeters

Product Name:

Set size 3 telescopic rail

Special Features:

Telescopic rail system with 511.2mm withdraw and between 463.0mm and 681.8 mm useable depth

Style Designator:

2 - piece

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
