Width:

65.0 millimeters

End Application:

Unit 15 console

Mounting Facility Quantity:

2

Mounting Method:

Bracket

Section Length:

558.8 millimeters

Side For Which Designed:

Left hand or right hand

Height:

23.0 millimeters

Product Name:

Set size 5 telescopic rail

Special Features:

Telescopic rail system with 596.4mm withdraw and between 564.6mm and 783.4 mm useable depth

Style Designator:

2 - piece

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
