Overall Length:

3.750 inches

Overall Width:

1.120 inches

Overall Thickness:

0.880 inches

End Application:

Rammer, hand

Mounting Method:

Drilled hole

Product Name:

Casting lever

Material:

Copper alloy

Material Specification:

Qq-c-390 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524v0
