## NSN 5340-01-512-3560

Manual Control Lever - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-512-3560

Overall Length:
3.750 inches
Overall Width:
1.120 inches
Overall Thickness:
0.880 inches
End Application:
Rammer, hand
Mounting Method:
Drilled hole
Product Name:
Casting lever
Material:
Copper alloy
Material Specification:
Qq-c-390 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A524v0
