Width:

1.130 inches

Thickness:

0.675 inches

Length:

1.130 inches

Mounting Hole Diameter:

0.112 inches first hole

Mounting Hole Quantity:

2

Thread Size:

0.190 in-32

Mounting Hole Type:

Threaded

End Application:

Compartment scrubber assembly

Raised Surface Length:

1.130 inches

Raised Surface Width:

0.094 inches

Raised Surface Height:

0.050 inches

Product Name:

Mount, catch, compartment scrubber

Special Features:

The 2 smallest holes located along the width are 0.112 in diameter with 40 threads per inch

Material:

Steel

Shape:

Square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
