Overall Length:

28.541 inches

Overall Width:

8.859 inches

End Application:

Retractable shv ay

Design Type:

Offset

Criticality Code Justification:

Agav

Product Name:

(navy)stbd terminal stop (drawing)terminal stop stbd, retractable sheave assembly(3491as0529)

Special Features:

Finish: 100% magnetic particle inspected in accordance with astm-e 1444

Material:

Steel comp 4340

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A536n0
