Diameter:

2.250 inches

Thickness:

0.328 inches

Cushioning Material:

Rubber

Product Name:

Dim mount pad

Special Features:

Has 0.625 inch diameter hole through center of pad; used for virginia class submarine, ssn-774; distributed isolation material is type r-50-21/64, iaw mil-d-24709

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T141-e
