Overall Length:

2.620 inches

Overall Width:

2.000 inches

End Application:

5420-01-430-5403; carrier, bridge launching

Product Name:

Support

Special Features:

Preferred material is armor steel wrought homogeneous class i mil-a-12560 0.50 inch thick; for steel alloys 4130 and/or 8630

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
