**End Application:**

Bracket, mounting-initiation system component

**Product Name:**

Guide

**Special Features:**

Dimensions .063 in. X 2 in. X 4 in.

**Material:**

Aluminum

**Material Specification:**

Qq-a-250/11-t6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
