End Application:

Support, actuator-canopy lock lever for f-16 aircraft

Product Name:

Support

Special Features:

Dimensions .090 in. X 2 in. X 3 in.

Material:

Aluminum

Material Specification:

Qq-a-250/11/t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
