Overall Length:

2.000 inches

Overall Width:

1.500 inches

Material Thickness:

0.375 inches

Mounting Hole Diameter:

Between 0.278 inches and 0.286 inches

Hole Quantity:

1

Special Features:

Material is rubber, neoprene

Material:

Rubber

Material Specification:

Astm-d 2000 assn standard single material response

Style Designator:

Mortise plate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A10600
