Overall Length:

1.250 inches

Overall Height:

0.529 inches

Overall Width:

1.219 inches

End Application:

Ea-6b aircraft

Criticality Code Justification:

Agav

Product Name:

Inavy)port bracket for multi-detail assembly nvd bag retainer

Special Features:

Has through hole (0.257 inch diameter) running entire width located approximately 0.279 inches from the base

Material:

Aluminum alloy 2024

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A042a0
