Hole Diameter:

0.138 inches

Overall Length:

2.750 inches

Overall Width:

1.125 inches

End Application:

Kc-135r

Hole Quantity:

2

Mounting Method:

Screw

Product Name:

Latch, spring draw

Special Features:

Item is a compression draw latch; when fully closed spring provides constant holding tension for a tight latch; spring begins compression when the latch first engages the strike, continuing until latch closes; screws not included; work load limit is the amount of force withstandable w/o affecting operation or appearance

Material:

Steel comp 304

Style Designator:

Lever with spring

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
