Width:

5.200 inches

Thickness:

0.125 inches

Length:

7.420 inches

Mounting Hole Diameter:

0.198 inches all holes and 0.204 inches all holes

Mounting Hole Quantity:

4

Mounting Hole Type:

Unthreaded

End Application:

Patriot

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Surface Treatment:

Chromate

Shape:

Rectangular

Surface Treatment Specification:

Mil-c-5541 class ia military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
