Width:

1.200 inches

Thickness:

0.190 inches

Length:

5.000 inches

Mounting Hole Diameter:

0.144 inches all holes and 0.150 inches all holes

Mounting Hole Quantity:

4

Mounting Hole Type:

Unthreaded

End Application:

Patriot

Product Name:

Plate, mounting-fl1/fl2

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response or qq-a-200/8 federal specification single material response

Surface Treatment:

Chromate

Shape:

Rectangular

Surface Treatment Specification:

Mil-c-5541, class ia military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
