Overall Length:

1.700 inches

Overall Width:

1.630 inches

End Application:

F-22 raptor

Mounting Method:

Drilled hole

Material:

Stainless steel

Material Specification:

Ams 5862 assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524v0
