End Application:

Vacuum sanding

Wheel Quantity:

1

Safe Operating Load Rating:

220.0 pounds

Material And Location:

Steel frame err-100 err-100

Wheel Type:

Built up

Wheel Diameter:

100.0 millimeters

Effective Height:

135.0 millimeters

Features Provided:

Thread guard

Tread Width:

32.0 millimeters

Special Features:

Has double ball bearing swivel head

Style Designator:

Swivel offset

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A25600
