Overall Length:

1.190 inches

Overall Height:

1.610 inches

Overall Width:

0.750 inches

End Application:

Patriot missile system

Product Name:

Bracket, support

Material:

Steel comp 302 or steel comp 304

Material Specification:

Qq-s-766 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
