**Overall Length:**

1.190 inches

**Overall Height:**

1.610 inches

**Overall Width:**

0.750 inches

**End Application:**

Patriot missile system

**Product Name:**

Bracket, support

**Material:**

Steel comp 302 or steel comp 304

**Material Specification:**

Qq-s-766 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
