Overall Length:

2.000 inches

Overall Height:

2.000 inches

Overall Width:

0.187 inches

End Application:

Patriot missile system

Product Name:

Bracket, isolator

Material:

Aluminum

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
