Overall Length:

1.812 inches

Overall Height:

3.790 inches

Overall Width:

0.875 inches

End Application:

Patriot missile system

Product Name:

Bracket, emi

Material:

Aluminum alloy 6063

Material Specification:

Qq-a-200/9 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
