Width:

26.750 inches

Edge Shape:

Rectangle, rounded corners, multi holes

Length:

33.375 inches

Corner Radius:

1.000 inches

Hole Quantity Along Length:

12

Hole Quantity Along Width:

8

End Application:

Patriot missile system

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
