**End Application:**

F-15/commercial coolant processing unit.

**Special Features:**

Item is comprised of 3 components: 1 spider and 2 hubs; hubs are centered iron with id of 2.110 in.; oa lg is 2.510 in.; length through bore is 1 in.; manufacutrer name: coupling half, pump b3.

**Material:**

Aluminum band

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A12700
