**Overall Length:**

5.140 inches

**Overall Width:**

3.280 inches

**Product Name:**

Light support, support structural

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/4, t62 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A042a0
