Overall Length:

5.140 inches

Overall Width:

3.280 inches

Product Name:

Light support, support structural

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t62 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A042a0
