Overall Length:

2.280 inches

Overall Height:

0.594 inches

Overall Width:

0.600 inches

End Application:

Edo5400-1 tel

Accessory Components And Quantity:

Aluminum alloy sheet 1; threaded standoff 2

Special Features:

Kaluminum sheet having two mounting holes (each with 0.213 in diameters used for inserting threaded standoffs) centered and spaced 1.300 inches apart; used as a hold down assembly, display processor power supply

Material:

Aluminum alloy

Surface Treatment:

Chemical conversion coating

Thread Size And Series/type Designator:

0.138-32 unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
