Material Thickness:

0.179 inches

Mounting Hole Diameter:

0.406 inches

Mounting Hole Quantity:

8

Body Width:

3.000 inches

End Application:

2320-01-371-9583

Hinge Mounting Type:

Full surface

Knuckle Quantity:

6

Material And Location:

Steel

Special Features:

Material is carbon steel leaf cold rolled

Style Designator:

Butt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25100
