End Application:

C-17a acft

Product Name:

Retainer, nut and bolt

Special Features:

0.250 in. , class ii fit, 0.330 in. Grip length

Material:

Steel, ams 5643

Material:

Steel comp 630

Material Specification:

Ams 5643 assn standard single material response

Surface Treatment:

Aluminum

Style Designator:

Barrel

Surface Treatment:

Aluminum clad

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T319-a
