Width:

5.000 inches

Thickness:

0.625 inches

Length:

13.380 inches

Mounting Hole Diameter:

1.000 inches all holes

Mounting Hole Quantity:

4

Mounting Hole Type:

Unthreaded

End Application:

Hul mec pen

Product Name:

Plate, retaining, bottom, fwd shoe

Special Features:

Mounting holes are counterbored for 0.375 inches and remaining hole is then 0.394 inch diameter.

Material:

Steel comp 316

Material Specification:

Qq-s-766 federal specification single material response

Shape:

Special

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
