Material Thickness:

12.7 millimeters

Mounting Hole Diameter:

0.8 millimeters

Mounting Hole Quantity:

4

Body Width:

8.3 millimeters

End Application:

2320-01-491-3436; chassis truck

Pin Center To Body Edge Distance:

18.2 millimeters

Material And Location:

Steel

Special Features:

Body is stainless steel

Style Designator:

Strap

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A25100
