Overall Length:

1.180 inches

Overall Height:

1.010 inches

Overall Width:

0.560 inches

End Application:

Block iii rf

Material:

Steel comp 304

Material Specification:

Qq-s-766, class 304 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536n0
