End Application:

Drone

Fastening Device Type:

Plain slotted head screw

Special Features:

Galvanized steel; 0.438/1.000 inch clamping range; 50 pieces per bag; tightening torque 1.5 pounds

Material:

Steel

Style Designator:

T-bolt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
