Center To Center Distance Between Mounting Facilities Parallel To Length:

4.500 inches

End Application:

Vapor cycle, aircraft, hardware e-2c

Mounting Facility Quantity:

2

Handle Clearance:

1.500 inches

Mounting Method:

Threaded hole

Thread Size:

8.0 millimeters

Material:

Aluminum handle

Surface Treatment:

Anodize handle

Style Designator:

Round

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
