Width:

9.000 inches

Thickness:

0.125 inches

Length:

21.000 inches

Mounting Hole Diameter:

0.171 inches all holes

Mounting Hole Quantity:

23

Mounting Hole Type:

Unthreaded

End Application:

On5524 npdts

Mounting Configuration:

Not equally spaced

Features Provided:

Centrally located raised surface

Raised Surface Length:

19.240 inches

Raised Surface Width:

7.240 inches

Raised Surface Height:

0.065 inches

Product Name:

Panel, mounting

Special Features:

12 mounting holes on regular surface; 11 mounting holes on raised surface.

Material:

Aluminum alloy 6061

Shape:

Flat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
