Width:

9.000 inches

Thickness:

0.125 inches

Length:

21.000 inches

Mounting Hole Diameter:

0.221 inches first hole

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

End Application:

On5524 hppts

Features Provided:

Centrally located raised surface

Raised Surface Length:

19.240 inches

Raised Surface Width:

7.240 inches

Raised Surface Height:

0.065 inches

Product Name:

Panel, mounting

Special Features:

Regular surface on outside has 12 mounting holes; raised surface has 2 mounting holes with 0.221 in. Dia.; raised surface has 16 mounting holes with 0.196 in. Dia.

Material:

Aluminum alloy 6061

Shape:

Flat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
