End Application:

NSN2-35-001-3689

Special Features:

Length 15.940 inches height 1.350 inches

Material:

Steel strike

Material Specification:

Asme y14.100-2000 asme y14.5m-1994 assn standard all material responses strike

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10600
