Overall Length:

10.750 inches

Mounting Hole Quantity:

2

End Application:

NSN2-52-001-5187

Product Name:

Radio rack support bracket

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
