Overall Length:

18.500 inches

Overall Height:

3.130 inches

Overall Width:

0.500 inches

Mounting Hole Quantity:

2

Mounting Hole Type:

Countersunk

End Application:

NSN:-49-400-1471

Product Name:

Cable retainer bracket

Special Features:

Inside diameter length 17.00; inside diameter height 2.38; length from center of hole to the other center of hole 18.00; finish is chemical film, yellow color

Material:

Aluminum alloy 6061

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
