Securing Device Type:

Turnlock fastener

Corner Cut Type:

Square

Special Features:

1this comes with the following p/n and their nsns; 4002-224-16, 5325-00-290-3976; r4c, 5325-00-598-1474; 4002-6w, 5325-00-534-0373; 4002-0, 5325-00-282-2047; and 4k32015-109a which is not stocklisted but made from 0.063 x 25.000 x 0.340 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A531c0
